...protests would not be tolerated
...under any circumstances.

“We will show this time how
Congress can win its seats
without the help of TMC
besides retaining the existing
seats with us. We don't need
Mamata Banerjee's mercy,” he
said adding, the TMC would
fare miserably in the coming
elections.
Incidentally, the Chief

the Congress is vertically
divided over any kind of
alliance with the TMC which
has for the past two years been
plagued by corruption charges
that have seen a number of its
senior leaders including min-
isters, MLAs and district pres-
idents other lesser leaders
going to jail. Even its second-

their houses were burnt, there
women taken away, their lands
snatched and their men forced
to flee their houses ... and now
if the top leadership impose an
alliance on us then it would be
counterproductive,” PCC
leader Kaustav Bagchi had
earlier said.
